GROUP TRIP

SRI LANKA 2025

Budo. Wellness and vacation under palm trees

12.10. - 25.10.2025

Our traditional group trip to the Budo Camp Sri Lanka will take place in October 2025. The special thing about this event is the very close cooperation with the martial arts associations and sports schools from Sri Lanka. In addition to our International speakers, local instructors also teach. In addition, we expect several hundred local participants for the sports program.

The overall package with the hotel facilities on the beach we have selected in conjunction with our excursions also makes the camp very interesting for non-Budoka people. The combination of sport, wellness and vacation, including a tour to the most important sights in Sri Lanka, also offers a particularly relaxing holiday setting for accompanying persons and families.

Location:

Our 4* hotel complexes on the west coast of Sri Lanka are just under 50 minutes from Colombo Airport. The Club Palm Bay in Marawila is characterized by its huge pool area and the individual bungalows for our guests. There is a bar at the hotel's beach club. The Club Hotel Dolphin in Waikkal has the longest pool in Sri Lanka. The modern family hotel leaves nothing to be desired. Various shopping opportunities are available near the hotels.

Facilities:**Hotel Club Palm Bay** (<https://www.theclubpalmbay.com>):

The complex, which is very popular with regular guests, has a total of 162 guest rooms. Other facilities include reception, main restaurant, snack or à la carte restaurant, 3 bars (including beach bar), shops. WiFi included in the lobby area.

Outside there is the pool area with a large freshwater swimming pool including a pool bar, children's pool, sun terrace and sunbathing area. Loungers, parasols and beach towels are included at the pool and on the private beach section.

We live in approximately 54 square meter bungalows with coffee/tea making facilities, mini fridge, ceiling fan, air conditioning, safe (included), cable TV, telephone, bathroom with bathtub or shower, toilet and terrace or balcony with a view of the garden or lagoon. All bungalows have a seating area and a small terrace. You can let yourself be pampered in the in-house Ayurveda area for a fee.

Club Hotel Dolphin (<https://www.browshotels.com/clubhoteldolphin>)

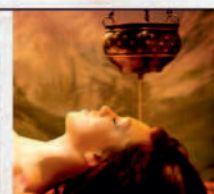

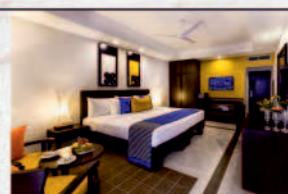

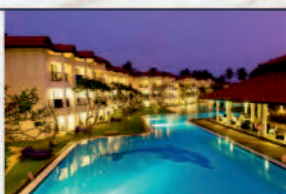

The holiday complex has 154 guest rooms, which are spread across the main house and the villas in the garden. The hotel has four restaurants, five bars, shops and various leisure activities. A WiFi connection is included for us.

The largest outdoor pool in Sri Lanka awaits you in our holiday home. Sunbeds, parasols and towels are provided free of charge. There is also a separate children's area in the pool. For those seeking peace and quiet, there is another freshwater pool exclusively for adults. Both pool areas have pool bars and restaurants. The wellness area offers a variety of massages and beauty treatments. Childcare in the hotel is offered, for example in the kids club (-10 years). Further animations take place by the pool.

We can end the evening comfortably at the piano bar, cocktail bar, nightclub or karaoke bar. Evening shows take place regularly in the hotel's amphitheater.

We stay in superior rooms in the main building. All rooms have sea or pool views and a balcony or terrace. Tea and coffee makers are available as well as a minibar. Ceiling fan, air conditioning, safe and satellite television complete the equipment.
